The motivational letter or AWG letter (Genuine Temporary Entrant) is undoubtedly one of the most important requirements to ensure the approval of your visa. This is a document addressed to the Australian Embassy where the future student expresses in detail the reasons for the whole educational plan to be carried out. The immigration officer uses this letter to evaluate the actual educational intentions of the applicant in Australia, and on the basis of this analysis approves or rejects the visa application. latitude We recommend you to redact in the English language, if you can't, then you must send it to translate by a public interpreter. If you need specialist help in writing, you can contact our team of advisors completely free of charge. I know I'm very fond of this one! Read with great care all the tips that we show you below. What is the AWG letter or motivation letter and what is it for? As we mentioned at the beginning, the AWG letter (Genuine Temporary Entrant) is your filing letter to apply to the Australian study visa. If we translate it literally into Spanish means: Genuine Early Entrance. This means that international students must mention the intentions they have to return to their country, once they finish their studies in Australia. Generally, you have to include all the data, educational and work backgrounds. It is also important to describe why you want to do the contracted educational program, what is the real need to do that course and how it will impact your future by returning to your home country. Finally, the reasons why Australia, the city and the educational provider indicate. All this means fluidly, logically and focused on a single goal, to travel to Australia to study, ortneucne em etñemlautCA ÁÁadir©ÁÁM ed dadulic al ne loobcS hgiH irossetnoM e¿ÁÁAġnliib oigeloc le ne 1202 o±ÁÁa led otinuj ne ©ÁÁAnimret al airotarperp iM .anacixem dadilanoican ed yos y so±ÁÁa 91 ognet ,ademaL aicraG serdnA solrac se erbmón iM 2 OSAC .osecorp le odot etnarud sogsej y sarbo ed nÁÁíAicueje ed opmeit la odanoicaler ol odot rajenam y selivc sarbo sal ed otsoC le ralulac .Janosrep ratartnóc ,nÁÁíAcirtsnoc ed seradnÁÁtse sol rasiver se aserpme al ed ortned senoicunf sim ed etrap ÁÁ.sarbo ed rosvivrepus ed ograc le oġab ,ocix©ÁÁM TEN senoicirtsnoc ne 4102 led oyam edsed odñajabart ortneucne eM ÁÁ.ocix©ÁÁM ed amonÁÁÁtuA lanoicaN dadisreviU al ed 5102 le ne odaserge livic oreinegni e anacixem ,so±ÁÁa 82 ognet ,zenÁÁtraM zer©ÁÁP siuL ordeP se erbmón iM 1 OSAC solpmejE .s©ÁÁġlgni ne lagel nÁÁíAcicudart avitceper us noc ragertne euq eneit sol sotñemucod sotse sodoT ÁÁ.ralucirruc nemuser y xedriÁÁk ,acim©ÁÁAdaca nÁÁíAicanimluc ed atraC o oiratisrevinu olutÁÁAT .olpmeje ropP .avitceper nÁÁíAcitnemucod al noc ratñetsub ed al lifrep led nÁÁíAcicudortni al .loralc yum otse sagnet euq evalc sE¿ÁÁ .)aserpme y ograc ,aeriÁÁA larobal aicneirepxe ut ,etssaserge ednod ed otvaticude otutitsni ÁÁ.nÁÁíAcaduary ed ahceF ÁÁ.nÁÁíAiseforP ÁÁ.dadE ÁÁA,otelpmocer erbmónN .ÁÁ)larobal y ocim©ÁÁAdacat lifrep ut ed nÁÁíAcicudortni ¿ÁÁeA¿ÁÁ ,sriatfa emoh fo temntrapeD nalilartsuA(sonretni sotusA ed onailartsuA otñematraped IA ÁÁ.ÁÁnÁÁíAcavitom ed atraC o retteL ETG al adigirid av n©ÁÁAġug A ¿ÁÁÁÁ ÁÁ.arutcel lic¿ÁÁÁ ed y acir¿ÁÁÁ ,adiulf arenam anu ed ,sarbalap saiporp sut noc setcader ol euq se omirPÁÁ sÁÁÁM ol. During this time I want to take a short business program, since my knowledge in this area is scarce. Á ħ 'Arguing why you want to do the selected educational program This is one of the most crucial parts of the motivation letter. Here the applicant has to express how the chosen studies program will impact his planes when he returns to his home passion. It is not enough to say that the English is good because everyone thinks, or who chooses the teacher in Australia, since the doors will open in several companies. Very important latitude, not mention or make negative references of your home pap, since it can be counterproductive when analyzing the intention of returning to your home pap. Examples Case 1 Currently Construcciones Net Má xico has several large projects in several cities of the country, where many of these are in alliance with foreign companies. For this reason, he was the Civil Engineering Master in Structures, since Net Mén Xico requires it to opt for the position of Supervisor of Páġblicas. My intention is to certify myself in the structural engineering in concrete and steel constructions to complete the requirements. Besides, I am sure that these studies are going to improve the English, to apply for a better position within the company and reach my jobs for work growth here in my country. Case 2 The main one for which he decides to study a diploma in international business, is because this course will give me the educational institution is located. It is key to investigate and know all the benefits offered by the city to international students, for this, we recommend supporting the educational advisor and web references. Examples Case 1 In this order of ideas, I told me about the city of Melbourne, because I like large and cosmopolitan cities. The best of all, is that its climate is fresh almost the entire year, very similar to that of the city of music. Something that seems very attractive to me is that I will be able to enjoy the F1 every year like here in my country. Case 2 elected the city of Brisbane, since the school does not have more headquarters throughout Australia. But I am sure that I will not have a problem to adapt, in view of the fact that Brisbane's climate is hot much of the year as of the one where I am originally. In addition, I would discover that there are very close beaches to surf, that will be great to go on weekends to practice and know more from Australia. Á ħ 'Explain why you chose Australia to study instead of your home of origin here expresses him to receive Australia as a destination to study his educational program. At this point the official determines whether the applicant knows the benefits of the Australian education system and the reasons for having chosen Australia and no other país. Examples Case 1 of Australia explains its multiculturalism and international recognition of your study programs. Also for being a country with few Spanish -speaking students, I am sure I will practice the language. As of it, it is a destination that houses fascinating landscapes, such as the twelve apóstoles. Case 2 Elegá Australia because the weather in no extreme region is the same Here máġa xico and to practice the language, since the Hispanic community is small. Best of all, Australian programs are recognized worldwide, therefore, my curráġiculum vitae will expand. Á e áġħ farewell in this section the candidate lets the official who remains at his discretion is the decision of his application and that he will be attentive to any extra requirement or document. ,Examples Case 1 Without more to make reference and waiting for a response on your part, I remain aware of any requirement. Sincerely, Pedro Luis Páġa © Rez Martáġáñezá,á Case 2 without more than referring to and waiting for an answer on his part, I am waiting for his response. Cordial greetings á Carlos AndrÁġa © S García Alameda The idea is not to copy and paste as is, but it serves you as a guide to create your first draft and then it is our work to help you correct so that it is perfect.
